

Miss Mathews 1st and 2nd Combo Class

4/14/2022

Our bible stories this week were Jesus in Gethsemane and Peter Denies Jesus. We talked about what God's will is and why it is important. Jesus died on the cross to forgive our sins and all we have to do is ask Him to forgive us. In science, we talked about how environments change over time. We learned all about helpful ways to take care of our environment and ways that we harm the environment. A couple weeks ago, we planted lima beans in cups and have been watching them grow. All students will be coming home with their plants so they can continue to watch them grow at home. In history, we talked about family history. We are continuing to work in our cursive books and scrapbooks! I hope everyone has a fantastic Easter vacation and enjoys spending time with their families!

First Grade: This week, we worked on fun Easter words. We wrote about what it would be like to be the Easter bunny, did Easter word searches and a lot of different Easter Fun! In math, we worked on our addition and subtraction facts, writing word problems, congruent shapes, adding double digit numbers, tally marks, writing the days of the week and months of the year, writing the date with digits, making groups of ten, counting nickels and place values for ones, tens and hundreds.

Second Grade: This week, we worked on fun Easter words. We wrote about what it would be like to be the Easter bunny, did Easter word searches and a lot of different Easter Fun! In math, we continue to work on addition and subtraction facts, complex word problems, telling time, fractions, double digit addition and subtraction, counting money and writing it with cent and dollar signs, comparison symbols, 3-d shapes, and multiplying by 5's.

Special Birthday at School: On Monday April 25th, we will be having a special birthday at school. Ben Santana will be bringing cheese pizza, fruit and a special treat to celebrate his birthday on Monday. Your child does not need a lunch unless they do not like pizza. Please make sure to pack snacks and any food you would like to go with their pizza lunch.

Homework: Homework packets are going home on Thursday 4/14. They are due Friday April 29th. I am sending them home early since some students like to do them over the break instead of waiting for them during the week. If your child finishes them early, they are more than welcome to turn them in early.

Class Supplies: If you are trying to get some partnership hours in, here are some things we need for our class. We use these supplies daily and are running low. Please keep your receipt and attach it to the partnership hours' form and I will initial next to it:

- Copy Paper
- Clorox wipes
- Paper Towels
- Lysol or Microban Air Spray

Blessings,

Miss Mathews

Important Dates:
