

## Kindergarten Newsletter

April 1<sup>st</sup>, 2022

We have had a busy week this week. Spring is here and so is the spring weather. We learned about butterflies and how they adapt to their surroundings. We made beautiful butterflies that look like they really fly. For math we worked on ABC patterns using pattern blocks and started learning measurement using linking cubes. For ELA we worked on ending sounds and reviewed more sight words.

We have an exciting field trip coming up on Friday! We will be going to IMAX in Sacramento! We will be leaving school at 8:30 so please make sure your child is at school on time. **Every child traveling in a car needs a car seat/booster seat!** If your child will be traveling with someone else they will need their car seat dropped off with them that morning. We will be watching two movies. Each movie is about 45 minutes each. After the movies are over we will be headed back to school to have lunch. If you are only driving your child you are free to take them home after the movies are over. Please make sure your child eats a good breakfast this day. Each child gets a snack pack but we will probably be eating lunch later than usual. Permission slips are going home today so please read it carefully! Sign and return them as soon as possible. This will be so much fun for everyone!
