

# Clemons' Class News!

May 20, 2022

Hello, Parents!

I cannot believe only one week of school remains! Wow! This past week was very productive filled with lots of standardized testing along with our regular classwork. We will be wrapping up things that will be graded by Thursday, May 26, 2022. Any and all late work must be turned in by that date or no credit will be given for missing assignments. Overall, everyone has been really great at getting work completed and turned in on time. I still cannot stress enough just how proud I am of these amazing students! Here is what's in store for our final full week!

## Final Chapel Service/Awards Ceremony

Our final chapel on Wednesday, June 1, 2022, at 8:30 am will also be our awards ceremony for all grades and will be held outside. Parents are invited to attend.

## Third Grade Pizza Party!

We will be serving pizza for lunch (no cost for parents) and having a little celebration for all of our accomplishments this year! We still need someone to send in drinks. Please sign up on signup genius. Your support is always appreciated! [Party Sign Up](#)

## Field Day!

Field Day will be on Thursday, June 2, 2022. The third grade is in charge of bringing "sliced tomatoes and lettuce" as toppings for hamburgers. Please send that with your child on Thursday morning, June 2, 2022. Kona Ice will also be here celebrating with us! You can send cash or use a handy QR code to pay online. You can find the code in this week's Eagle.

## Lost and Found

As we wrap up the school year, please be sure to check the lost and found for any missing items

## Summer Enrichment on Prodigy

Over the summer, please be sure to have your child work in Prodigy; especially English. I have created some assessments/lessons (that are embedded into the game) for continued practice on skills they will need for fourth grade. They have done a wonderful job with math in Prodigy and I want them to be just as successful with English skills. The work they do is always saved and will follow them as they increase their skills. If any future teacher uses Prodigy, they will have a new class code to input so all the work they have completed will not be lost. I wish them all great success!

Have a wonderful weekend!

Blessings and Peace,  
Mrs. Clemons
