Thank you for all the teacher appreciation gifts and treats. I was way too spoiled this week and I appreciate all of the families and students who have made my first year teaching and first year at Bethany wonderful. It truly is the biggest blessing to watch each one of your students' blossom and grow. I am excited to see what next year brings.

I hope all the moms had wonderful mother's days this weekend and your children spoiled you!

MUSIC

DR. NOMURA - MEGUMI.NOMURA@GOBETHANY.COM

Hello Music 4 Families!

I just wanted to say thank you for everyone's hard work and enthusiasm to make our spring concert a success! I've had some great feedback from parents, school, and students alike and I'm so grateful for all of the assistance and volunteers for making the show possible.

This will be my last little blurb for the rest of the year because April 29th will be my last day before I go on my maternity leave. I will be checking email periodically but please don't expect an immediate response if you email :). The substitute, Ms. Cindy Ulloa, will be guiding the class until the end of the school year. Music 4 will be working on a final recital project (the sheet will be distributed on Monday) and students will still need to bring their ukulele and music. This recital project can be done individually, with partners or in a small group. If anyone would like to find other songs to perform, they can always Google and find ukulele tabs/lyrics for specific songs. Performances for the recital will be done over 2 days on May 23 and 26th since I don't think everyone can go in one single class period.

I hope the class will finish strong and have a fantastic time making music with their friends! I will see you all next year :)
