

Mr. Miller's 3rd Grade Newsletter

Good afternoon parents,

I appreciated meeting all the parents that took the time out of their busy schedules to come and visit the 3rd grade classroom. I am looking forward to working with each one of your students and watching them grow throughout the year.

Week One

In week one we will be finding benchmarks for your students in multiple subjects. They will be tired. Good rest, healthy snacks and healthy lunches.

Locker Room

The locker room is where items will be shared that are trends with the students.

If your student is going to wear laced shoes to class, please ensure they know how to lace and tie their own shoes.

In our schedule we have a snack and lunch. Please pack the snack and lunch separately so the students do not have to take their lunchbox out for snack and have to leave it in the sun.

Closing

For week one, it has been my honor to get to know your students and I look forward to getting to know them better throughout the year.
