

## Kindergarten News

September 2,2022

We are off to a great start in kindergarten! Thank you to everyone for getting the supplies in so promptly! It certainly sets us up for a great year! This week in class the students have continued with the letters, F, G, H, I and J in ABC bootcamp. We really enjoy coming up with words for each letter and coloring and cutting out the hats as well. Also, part of bootcamp is learning to write the letters correctly. Along with this in language the students enjoyed hearing the stories, How Dinosaurs go to school and My friends at school. Additionally, we had the students read with us, My Backpack and At School. In math we are learning fun rhymes to help us write the numbers, using graphs, working with linking cubes and teddy bear counters for one-to-one counting. Our Bible lesson for the week has been how God created people, and in chapel we learned about the fruits of the spirit. Miss Kayla gives wonderful reports on how well the kindergarten classes are doing in P.E and Miss Evie has also reported how well the students are doing in music class!

Upcoming events:

\*Monday no school Labor Day

\*Wednesday September 14 picture day

\* Pie sale fundraiser, order forms coming home today

Mrs. Fernandez and Mrs. Jamison
