

## Kindergarten News

Friday September 16, 2022

Thank goodness it was much cooler this week and we got to play outside! The students have been busy learning in all areas.

Bible lesson: Noah's Ark and how God promised to never flood the earth again.

Social studies: Community helpers which also corresponded with our language lesson #4. We talked about different jobs in our community and the students drew what they wanted to be!

Math: We continued to practice writing numbers, more work with pattern blocks and sorting items by color. The students also did a fun activity called "Shape the Room". Pictures of shapes were hidden around the room and the students were able to use a worksheet and go on a shape hunt!

Language: Our sight word was and. We talked about jobs in the community and had readers to go with this. Our letters for ABC bootcamp were O, P, Q, R and S. I think snorkel had to be one our favorite hats we have made!

Please continue to work on those rainbow words lists! We would love to add another color stripe to your child's cloud.

Upcoming events:

\*Pizza lunch Friday. Order forms went home with your child today. Please return the order form with cash by Wednesday September 21.

\*Parent Participation hours opportunity! Friday October 28 is our schools Harvest Festival and Trunk or Treat event! Each class needs to have a trunk decorated for the event. Please let us know if you would be interested in taking on this event. We would be happy to fill you in on the details. We will need help running games and providing other things which can all go towards parent participation hours.
