Happy fall! Yesterday was the first day of fall and we were loving the (brief) cooler weather! This week we focused on letter T, U, V.W and X for ABC Bootcamp. We thought of so many creative words for each letter and even learned about volcanoes for letter V! Challenge your child to tell you the sound each letter makes during or after homework time. This is excellent practice. For math we practiced counting as high as we can go. We also reviewed graphs and following direction activities. In Bible we learned about Abraham and his long journey. He was faithful to God and trusted Him and was blessed with a big family because of it. Our savior, Jesus even came from Abraham's family! Social Studies was all about American symbols. We learned what the Liberty Bell, White House, Statue of Liberty, bald eagle and American flag all look like. Our students really enjoyed coloring their American Symbol Keepsake book, too.

Our harvest festival is coming up on Friday, October 28th. Mrs. Jamison still needs parents to be in charge of her Trunk or Treat project. Please reach out to her if you are willing to help. It is such a fun night and a great way to earn Partnership Hours.

Continue selling apple pies! This is a big fundraiser for us. The pies are delicious and a great addition to any holiday table.

If your child has not yet brought in their classroom supplies, please do so soon.

Have a great weekend!

Mrs. Fernandez and Mrs. Jamison
