

Mr. Miller's 3rd Grade Newsletter

Good afternoon parents,

This week, we had a couple tests and the students are performing well. This week we completed our first artist of the week and a huge thank you to Hattie and her family for the amazing project. Next week Channing will be the artist of the week. The spelling words do not change since it was a shortened week.

Locker Room

The locker room is where items will be shared that are trends with the students.

PLEASE PLEASE PLEASE do not send candy for the students. I would prefer they did not have fast food either. Remember the students perform with the fuel in their bodies.

The students are arriving with inappropriate shoe attire. Remember they have to wear closed toe shoes that give support. Crocs and boots are not allowed until we have free dress. Also, the shorts must not be skin tight and leggings are not appropriate. The shorts must be loose fitting and be one to two inches above the knee.

Students Must have Water Bottles

Please make sure that your student comes to school prepared: having a reusable water bottle with their name on it everyday is a part of that.

Closing

For week two, the students are going to be settling into a routine and I hope they are enjoying themselves in my class. I have had a couple parents ask if I need any assistance in my class. I have decided to have a Friday afternoon art project. If you would like to complete some partnership hours, you can lead an art project on one of the Fridays. You will need to come up with an idea that the class can complete in 2 hours. The time slot will be from 12:45-2:15 on Fridays. Please send me an email so I can start putting together a schedule and start coordinating the projects. I can get the materials or you can provide your own supplies for the art project. I look forward to working with you.
