Students have received graded work and are organizing it in their binders by subject. I will continue to pass back graded work weekly. Please check the binders and TADS to ensure everything is up to date.

Students should bring their planners home daily, Monday - Thursday. I will sign off for the week once they have written their homework down for the week. Each day, they write what they bring to class and when it is due, so typically, they should not have anything written on Mondays. If students finish their homework in class, I will stamp that subject and day in their planner. Students can receive 1pt of extra credit if they get their planner signed by parents and show me each week.
