October 7th, 2022

This week we continued to learn about blends. This week's blends were sh (we call them 'The Good Boys') and th (The Bad Boys). Our students are doing very well learning blends! Blends can be tricky so practicing at home is great. When you are reading at night if you come across a blend, point it out to your child. This helps build confidence, too. Our word wall word is 'we'. We read about animals in the zoo and on the farm. In math we learned all about AB patterns. We built patterns using linking cubes and colored our own patterns. Bible was all about Jacob and his brother, Esau. Jacob lied and disguised himself as his brother to get a blessing from his father. He ran away and had a dream about a really tall ladder with angels going up and down it. We made a craft called Jacob's ladder, too.

Our apple pie sales are coming to an end next week. Hopefully everyone has been doing their best to sell at least 1 or 2 pies each! Money is due on Wednesday, October 19th. This is a great fundraiser for our school.

Coin Wars is happening now until October 30th! You can send in any spare change to put into our big jar. The class that raises the most money will win a pizza party!

Our Harvest Festival is on October 28th. Mrs. Rush is still in need of volunteers for set up and take down. You can earn a lot of Partnership Hours for helping!

Have a great weekend!
