6th, 7th and 8th Grades' homework:

On Monday, October 13 and Thursday, October 17, the students had exams. So it could have been a stressful week for them.

I am very happy to see the results, not only for the exams, but for their participation, dedication and effort during this first quarter.

Thank you parents for supporting your children, it is a joint effort.

We have started the second quarter with a new vocabulary list on the theme of animals. This Monday the 24th they will have their first spelling test.

Additionally, we will begin to look at ordinal numbers as well as articles, days of the week, months, and time and weather.

Coach Kay's Technology Class kaylablair@gobethany.com

This week students worked on photo collages on their favorite state and a 250 word statement. It was awesome to see all of the students' favorite places!

Next week, we will take a break from the computers. Students will work as a class to recreate a TV show intro or movie trailer. They will take the first couple of days to decide what video they want to recreate and start assigning roles.

Homework - None

Coach Kay's Life Skills (Robotics) Class kaylablair@gobethany.com

This week we watched a Ted talk video about body language and power posing. We discussed how body language not only affects how others see us but how we feel about ourselves. We learned that smiling, power posing & words of affirmation can help boost our confidence and make us feel powerful even when we are anxious, nervous or afraid.

Next week, we will begin discussing our next assignment: a persuasive speech. I believe being able to speak in front of a crowd is an important skill to have. Because of our small class sizes and existing friendships, BLS is the perfect space for students to begin developing that skill. I will provide them with a list of topics to choose from and we will start planning our speeches.

Homework - None

Coach Kay's P.E. Class kaylablair@gobethany.com

This week, I allowed students to have a free PE period to celebrate my birthday and to thank them for always having a great attitude in PE. We also started small soccer scrimmages. Next week, we will continue with our soccer scrimmages.

Reminder - all middle schoolers **must dress out in uniform for PE** (blue, gray t-shirt | blue, gray shorts or sweatpants). If students they would like to wear sunglasses as well, they are more than welcome to wear them in PE

Homework - None
