PLEASE MAKE YOUR ARRANGEMENTS

Each year this is a HUGE LOGISTICAL UNDERTAKING and we ask for your Patience and Grace as our volunteers will be here to help you.

***Between 2:35pm – 3:00pm – DO NOT USE THE CARPOOL LANE FOR PIE PICK UP. Please leave this window of time for our regular student pick up. Park your car in the lot and come get your pies during this window.**

Lesley Cortes - Spanish Classes

lesley.cortes@gobethany.com

11/04/2022

6th, 7th and 8th Grades' homework:

- Study the new vocabulary of animals that they received last Monday for the exam every Monday.
- Read the sheet about "Telling the Time in Spanish" that you received yesterday, Thursday.

All students need to keep the sheets with the information given to them about each concept or topic. Not the exercises or activities, but what they have of information, so that they can review at home and be prepared for future exams.

I told the students to find me if they need to see if they have any late or missing work; since they have the opportunity to make them and I will receive them during this month of November. So far, only three have approached me.

Thank you!

This week, with the rain we didn't get as much time for football as I would have liked but it was still a great week of PE for the middle school students. We went over the rules and played a small scrimmage. Next week, we will continue to our football unit, learning stances, positions and doing drills.

**** As a reminder, it is important for each student to practice good hygiene throughout the year. I am asking parents/guardians to partner with me to ensure their child practices good hygiene. Sometimes we can keep travel size deodorant, wipes, chapstick, lotion, feminine products, etc in our lockers or backpacks just in case we forgot in the morning or have to reapply. We definitely need to be aware of this on PE days due to the possibility of increased sweating.****

Homework - None
