This week in class, students started brainstorming & creating vision boards with goals for 2023. Vision boards are visual representations of goals that one wants to achieve. They were asked to think of academic, personal, extracurricular, and family goals. They were also given the opportunity to add their favorite inspirational quotes, bible verses & photos to their vision boards

Next week, we will continue & finish the vision boards. Hopefully this is something the students can put in their rooms as a reminder of the goals they set for themselves this year.

Art with Mrs. Johnston [deborah.johnston@gobethany.com](mailto:deborah.johnston@gobethany.com)

Welcome to the second semester of Art. Last semester we learned about the five parts of art. This quarter, we will learn about the different periods of art starting from the ancient Greeks and Romans, and then moving through time to Gothic Art, Renaissance, Baroque, Rococo, Neoclassical, Romantic, Realism, and Impressionism. There will be quizzes and art projects throughout the quarter. January 9th, the class started on a still-life using oil pastels. Monday, January 12th, was a holiday, so the class finished up the projects on Thursday, January 19th. Monday, January 23rd, the classes will finish up making birthday and get-well cards for Ms. Natalie and then start on arts history through the age.
