

Kindergarten News

Friday February 17, 2023

What a fun week in kindergarten! On Valentine's Day the students enjoyed making their own fruit and yogurt parfaits, some added everything some just choose granola or just strawberries. They also did fun heart art and played Valentine bingo. We also delivered our Valentines and enjoyed cookies and cupcakes!!

In language our readers were about gardening, and we read the books "Zinnia's Garden" and "Oscar the Frog." The daily high frequency words were, all, her, over, she, some, when and this week's blends were, oo, oi and oy. In math we continue to work on number writing, recognition and counting by 5's and 10's. We continue counting with nickels and dimes as well. Our Bible lesson was about the widow's mite. We learned about a widow that gave everything she had while the rich men only gave a little. Jesus noticed this during the offering while he was teaching at the temple. Chapel was super fun this week! The third-grade class led chapel and they taught us about the ten commandments! They did a wonderful job! Finally, we learned about President's Day! George Washington was our first president, and his picture is on the dollar bill. Abraham Lincoln was our sixteenth president, and his picture is on the penny!

We hope you all enjoy your break, and we will see you on Monday February 27th.

Mrs. Jamison and Mrs. Fernandez

*February 28- Eco Assembly

*March 10- VPAT trip to see the Wizard of Oz
