

Kindergarten Newsletter

March 3, 2023

We have had such a fun week here in kindergarten. On Tuesday we had an assembly all about helping the environment. The Eco Heroes taught us ways to help the earth with songs and dances. The kids had a great time! You can check out all of their songs on YouTube on the Mr. Eco channel. Thursday was Dr. Seuss' birthday. We celebrated by reading and making fun art projects. We even watched a Cat in the Hat cartoon with both classes. For ELA this week we read about different animals and how they adapt to their surroundings. We also learned about the ending sound -ing and thought of lots of words for it. For math we learned how to use a scale and guessed which items weighed more, less and equal. Bible was all about Jesus healing ten men from leprosy.

Next Friday is our walking field trip to VPAT to see 'The Wizard of Oz'. Permission slips are going home in today's Friday Folder. Please sign and return no later than Wednesday. There is no money due for this field trip. We will leave school at 9:30 and return before lunch.

Next week's homework will be to build a leprechaun trap! More information will go home next Friday, March 10th.

If you were selling cards for our Cards for a Cause fundraiser the money is due on Friday, March 10th.

Have a great weekend!

Mrs. Fernandez and Mrs. Jamison
