Mr. Ingersoll's Classes joshua.ingersoll@gobethany.com

All Classes: If any students are struggling with any work, please remember that I offer after-school tutoring every day until 3:30. If any parents are in need of partnership hours and are willing to help out with grading, please get in touch with me. Any help with this would be greatly appreciated.

Chaperones needed for field trip: I am currently planning a possible field trip to the San Francisco Exploratorium in late April. The current plan is to have it on April 21, with April 20 and April 18 as backup dates. In order to make a field trip reservation with the exploratorium, I need to know how many chaperones we will have. If you are available and interested in being a chaperone, please email me, letting me know how many students you can bring.

Bible: Memory verse is John 21:17. There will be an open-book test over the most recent unit on Monday. Then we will work through lessons 58-61.

Math 1: This week we will work through lessons 66-69.

Math 2: This week we will work through lessons 53-55.

Math 3: This week we will work through lessons 54-56.

6th Grade Science: We will have the open-note unit 1 test on Tuesday. On Friday, the students will have time for corrections and time to work on the Unit 1 Lesson 1 Vocab.

7th/8th Grade Science: We will have a short quiz on lesson 2 on Tuesday. Then we will start reviewing for a test over Unit 2 Lessons 1-2, which will be the following week.

Ms. Cindy

Sixth grade homeroom/MS English/ Music appreciation

cindy.ulloa@gobethany.com

Homeroom: We will continue to work on our Bible books. We do not have much left of our book so we are taking it slow and doing much more activities than usual.

English 6, 7 & 8: We have started our poem lessons. They will be analyzing poems more and more as we learn more aspects of poems. This is a hard lesson and will take us time to get it down. Vocab is our poem vocabulary which we have started to fill out and have been tested on the first few words.

We will also be choosing our representatives for this year's spelling bee. Each class will be having a mock spelling bee and the winners will be representing our school!

Missing assignments! Most students are missing reading logs. They are due every Friday, signed and filled out.

Music Appreciation: We are wrapping up our Rock n Roll lesson. They have been learning about the influences of many communities in the evolution of Rock. They will be reviewing and taking a test this week.

Lesley Cortes - Spanish Classes

lesley.cortes@gobethany.com

03/03/2023

6th, 7th and 8th Grades' homework:

- Study the number one vocabulary about clothes and accessories. On Monday they will present an exam on this.
- Be prepared to present the family tree on Monday and Thursday. Students already have their presentation date.
- We will continue reviewing the verbs in the present tense and we will start with the past tense.

Mrs. Abbate's MS History tina.abbate@gobethany.com

Friday: Wizard of Oz production for all students

Coach Kay's Technology Class kaylablair@gobethany.com

This week in Technology, students finished up their "Who's Your Hero" Google Slides presentation. Using the skills they learned over the last couple of weeks, students started another presentation about an influential African American/Black Leader in Technology. They will take the next 2 weeks to research their person and put together all of the information in a google slides presentation

Homework - None

Coach Kay's Life Skills (Robotics) Class kaylablair@gobethany.com

This week, we talked about what a resume is and what information goes on it. They then picked an influential A.A/Black person to research and create a resume for. Students picked doctors, athletes, politicians, etc.

Next week, we will continue celebrating Black History Month with speeches. Students will research another influential A.A/Black leader and begin writing an informative speech about that person.

Homework - None

Coach Kay's P.E. Class kaylablair@gobethany.com

This week, we started our Fitness February unit. We started fitness testing by checking height & weight, then testing pushups, planks, balance and cardiovascular endurance.

Next week, we will finish up our fitness testing and start either Fitness Bingo or the deck of cards workout. We will continue with these types of activities for the month and retest at the end of the month to see if students made any improvements to their first scores.

Homework - None

Art with Mrs. Johnston deborah.johnston@gobethany.com

Hope everyone enjoyed their winter break. Last semester we learned about the five parts of art. This quarter, we will learn about the different periods of art starting from the ancient Greeks and Romans, and then moving through time to Gothic Art, Renaissance, Baroque, Rococo, Neoclassical, Romantic, Realism, and Impressionism. There will be quizzes and art projects throughout the quarter. Monday, 6th, the class will take notes on the Romantic art period and take a short quiz. Thursday, March 9th, we will go over the different techniques of using colored pencils, as next week, we will start a still-life project using colored pencils.
