Art with Mrs. Johnston [deborah.johnston@gobethany.com](mailto:deborah.johnston@gobethany.com)

Welcome to Art! The first semester was about the five parts of art and the third quarter was about different periods of art starting from the ancient Greeks and Romans, and then moving through time to Gothic Art, Renaissance, Baroque, Rococo, Neoclassical, Romantic, and Realism. This quarter, we will discuss different artists and complete an art piece in that particular artist's style. Monday, April 3rd, the students will learn about the art form of Pointillism and then create their own piece of art. Thursday, April 6th, the class will finish their art piece that we started on Monday. Blessings and have a joyous Easter!
