Art with Mrs. Johnston deborah.johnston@gobethany.com

Have a wonderful Spring Break! Enjoy spending time with family and friends. Welcome to Art! The first semester was about the five parts of art and the third quarter was about different periods of art starting from the ancient Greeks and Romans, and then moving through time to Gothic Art, Renaissance, Baroque, Rococo, Neoclassical, Romantic, and Realism. This quarter, we will discuss different artists and complete an art piece in that particular artist's style. Monday, April 17th, the students will be introduced to the art style of Impressionism. They will learn about the characteristics of the style and then there will be a short quiz. They will start a project using the techniques of the Impressionism style. Thursday, April 20th, the class will finish their art piece that we started on Monday. Blessings and have a joyous Easter!
