Art with Mrs. Johnston deborah.johnston@gobethany.com

Welcome to Art! The first semester was about the five parts of art and the third quarter was about different periods of art starting from the ancient Greeks and Romans, and then moving through time to Gothic Art, Renaissance, Baroque, Rococo, Neoclassical, Romantic, and Realism.

This quarter, we will discuss different artists and complete an art piece in that particular artist's style. Monday, May 1st, the students will continue to work on their art piece for the Art Fair. Thursday, 4th, the class will be finishing up their art piece and turning it in. Looking forward to seeing some wonderful art.
