

Mr. Miller's 3rd Grade Newsletter

Good afternoon parents,

Good afternoon everyone. We have under 10 days left of school. We have been through many adventures and we are almost done. This week we will have our last math test, last science quiz, and last writing assignments. The week will end with the year end BBQ on Friday.

Friday, 2 June is the school BBQ. Please do not forget to bring in your 32 individual packaged potato chips.

We have some projects left to complete this fourth quarter.

1. Catapult experiment- It will be due Tuesday, 30 May. We will be launching marshmallows starting at 10:00am and will finish by 12:00 pm so they can have lunch. I already have enough volunteers for the project. Thank you parents for volunteering. I am sending the written portion home today to work over the weekend. The written portion will be due Wednesday, 31 May.

For Journey's. We will not have any more spelling words for the year. Next week we are focusing on reading and writing comprehension with one verbal review.

The fourth quarter has begun. Here are a few changes.

1. Most of the school work will be completed on lined paper. Some of the work will be completed in the workbook because it would be too time consuming to rewrite some of the problems.
2. All pages that are turned in will have their name and date on the top right hand corner of the page. If it is more than one page, the pages will be stapled together in the top left hand corner.

Moving forward, any late assignments will be penalized for half credit. If they are turned in more than a week past due, it will receive a score of zero.

School Work

1. Bible- What is the meaning of passover?
2. Journey's- Reading books of their choice and completing journal entries.
3. Math- Fractions of numbers, dividing the pie, calculating for missing numbers.
4. Science- Learn the moon phases. Moon phase observations.
5. Social Studies- Work on locations and names of the 50 states.
6. Physical Education- Working on frisbee skills and playing Frisbee baseball.

Spelling Words

Partnership Opportunities!

Here are some items the 3rd graders need. Please get a receipt and attach it to the partnership hours form. I will add more items as the year progresses.
