

# Mr. Miller's 3rd Grade Newsletter

Good afternoon parents,

Good afternoon everyone. We have under 30 days left of school and we still have so much to do. We will be completing a marshmallow catapult, book report over the Fourth Grade Nothing, and complete the year end testing. We will be busy.

Some parents gave me \$10.00 instead of \$9.00. I gave the extra dollar back to your student to return home.

This week we will have a Journey's Test, Science Quiz, and Math Quiz.

SAT testing will be 15th-19th. The testing will be all week from 8:30-12:05. I will not be assigning homework or having normal curriculum exams during that week. I have some scavenger hunts and art projects planned.

The fourth quarter has begun. Here are a few changes.

1. Most of the school work will be completed on lined paper. Some of the work will be completed in the workbook because it would be too time consuming to rewrite some of the problems.
2. All pages that are turned in will have their name and date on the top right hand corner of the page. If it is more than one page, the pages will be stapled together in the top left hand corner.

Moving forward, any late assignments will be penalized for half credit. If they are turned in more than a week past due, it will receive a score of zero.

## School Work

1. Bible- What is Confirmation?
2. Journey's- Lesson 27. Story is "The Power of Magnets" Working on words with double consonants, proofreading, and contractions
3. Math- Adding and subtracting fractions and adding/subtracting 5 digit numbers, and identifying parallel lines.
4. Science-Started working on unit 7 lesson 1 and will have a quiz this week.
5. Social Studies- Working on "The First People"
6. Physical Education- Working on frisbee skills and will begin Frisbee Baseball.

## Spelling Words

jelly	bottom	pillow	happen	butter	lesson	cherry	sudden
arrow	dollar	hello	rabbit	letter	button	stubborn	mirror

## Partnership Opportunities!

Here are some items the 3rd graders need. Please get a receipt and attach it to the partnership hours form. I will add more items as the year progresses.

1. When I return, we will start on the marshmallow catapult science project. It will be due at the end of the 4th quarter. I will need some assistance on the project.
  - a. popsicle sticks 600
  - b. Rubber Bands 600
  - c. Printer paper
