

Kindergarten Newsletter

May 12th, 2023

We have had such an exciting week! Our butterflies finally emerged from their chrysalis'. It was so fun to watch the process of metamorphosis happen right before our eyes. We released the butterflies and thanked God for creating such beauty for us to enjoy. We also have been working hard on our Mother's Day projects. We can't wait until you see what we made! We even took a field trip to see Finding Nemo, Jr.! We really enjoyed the play and both classes behaved so well. A small flyer was sent home explaining more about Starbound Theater. If your child is interested in being in a production, check it out!

Reminder-our SAT testing starts on Monday. We will take a small portion of the test each day. Please make sure your child gets plenty of sleep, eats a good breakfast and packs a good, healthy snack for each day. This is important so their bodies are rested and brains are fueled and ready to think!

The end of the year is quickly approaching. We will have a graduation ceremony for each class on Tuesday June 6th. The ceremonies will be in the morning. Mark this special day on your calendars! We will have more information as the date gets closer.

Field day and our all school BBQ is on Friday, June 2nd. Kindergarten has been assigned to bring 1 dozen or a package of cookies (no nuts please). Please bring to your child's teacher or into the office by June 1st. Also, Kona Ice will be here that day. This week's Eagle Newsletter has a list of prices and sizes. Please send money to your child's teacher by June 1st. Put money in a clearly marked envelope or ziplock bag.

Donuts with your Grown Ups is on Friday, May 26th from 7:15-8:00 am. Come and enjoy a fun breakfast with your child. If you can't make it, please let us know and we would be happy to sit with your child.

Thank you all so much for the wonderful treats for Teacher Appreciation Week! You are all so thoughtful!

Have a great weekend and a very happy Mother's Day!

Mrs. Fernandez and Mrs. Jamison
