Old Curriculum - I have old (no longer used curriculum) in my classroom. I have lots of Journeys hard books filled with stories. Students can take a book or books home if they wish. Stories can be read for fun and for extra practice, or I know some students like to "play school" at home. If you would like a book or books, please let me know by Friday, May 26th. They will be recycled after that.

Also, I have some old math workbooks too. Let me know if you would like one!
