

Mr. Miller's 4th Grade Newsletter

Good afternoon parents,

Week one is officially over and the students and I have survived week one. We are still getting used to the daily routines. I am starting to coordinate a couple field trips this year and will need some assistance. Just an FYI.

We have enough lined paper for the students until Christmas, but if you have not purchased graph paper, please get some for next week.

The students have decided their theme for trunk or treat this year. I will need a parent to lead this theme. Last year we incorporated my truck. I have to be there the entire time anyway because it is during parent teacher conferences. The parent or parents that lead this endeavor counts for their partnership hours. The theme the students choose is Football. I would like to win the competition so the class can win a pizza party.

Schedule change for next week. We will be going to the library on Friday. Please ensure they have their books they checked out so they can be returned.

Science- We will take a quiz on lesson 1 and begin lesson 2.

History- History of California Take a quiz on lesson 1 and begin lesson 2.

Teacher's corner

The teacher's corner is where items will be shared that are trends with the students that need to be addressed

If your student is going to wear laced shoes to class, please ensure they know how to lace and tie their own shoes.

In our schedule we have a snack and lunch. Please pack the snack and lunch separately so the students do not have to take their lunchbox out for snack and have to leave it in the sun.

Uniform- Please ensure your student has the proper uniform on. The sweater is part of the uniform. It is not weather dependent. We keep the classrooms and chapel cool for this reason. Please ensure the shoes are the proper color. Black or brown only for chapel day.

Thank you for getting your students the school supplies. After week one, we realized we need a small three ring binder that we can place the lined paper on one side and the graph paper on the other. Please have your student bring a three ring binder to class on Monday. Please ensure they have graph paper.

For music: Please get your students an Archives music notebook.
