

Mr. Miller's 4th Grade Newsletter

Good afternoon parents,

I appreciated meeting all the parents that took the time out of their busy schedules to come and visit the 4th grade classroom. I am looking forward to working with each one of your students and watching them grow throughout the year. Next week we will begin lessons after we conduct placement tests. I will send home homework by email daily.

Today, we went to the library and your students behaved very well. We will be going to the library every other week. Since we have a half day next Friday, we will be going to the library on 9/8.

Week #1 Spelling

| | | | | | | | |
|-------|-------|-------|--------|--------|-------|-------|-------|
| blade | gray | past | afraid | magic | delay | | |
| amaze | drain | maybe | break | sale | hang | | |
| stain | glass | raft | jail | crayon | fact | stale | steak |

Week One

In week one we will be finding benchmarks for your students in multiple subjects. They will be tired. Good rest, healthy snacks and healthy lunches.

Bible- Working on creation and covering Genesis.

Journey's- Working on the long "a" sound, prefixes re-,un-, and dis-, simple subject and predicate. We will have a Journey's test on Friday along with a spelling test.

Math- Review of addition and subtraction, place value, and number sequencing.

Science- We will begin unit one lesson one. Studying Science. "What do Scientists do?"

History- History of California

Locker Room

The locker room is where items will be shared that are trends with the students.

If your student is going to wear laced shoes to class, please ensure they know how to lace and tie their own shoes.

In our schedule we have a snack and lunch. Please pack the snack and lunch separately so the students do not have to take their lunchbox out for snack and have to leave it in the sun.

Closing

For week one, it has been my honor to get to know your students and I look forward to getting to know them better throughout the year.

Partnership Opportunities

Starting the 28th I will have the opportunity to grade tests for some of the parents. It will be a rotation by week. I do have time in my schedule for parents to come in and grade tests. I prefer the tests to be graded in my class. That way I can answer any questions that may come up.
