

August Newsletter

Aug 21-25

What we learned about: This week we were focusing on getting the children settled into the full day schedule. They are beginning to adjust well. We focused on writing our name, color by numbers, tracing letters and number recognition. We had our first music lesson and PE. I received great feedback from the children.

Special Schedule:

Monday Music, Wednesday Chapel, Thursday Music, Friday P.E.

Important Details: Friday folders are going home today. Please make sure to review the work your child has been doing in class. They are all working so hard! If you see work that is not completed that is ok. They are just trying to adjust to understanding different subjects in class. Homework is due the following Friday Sept 1st. Make sure to be reading with your child a minimum of 15 minutes a night. Also going home in the Friday folder is the Parent/Student Handbook. This needs to be read and sent back with a parent signature. Your child also needs to print their name in the student signature area. This will be due on Monday August 28th. Since homework folders will not be due back until Sept 1st, please send the handbook back in your child's backpack Monday morning. Labor Day is right around the corner on September 4th, and we will have no school.

Classroom needs: We are still in need of some items from our Amazon Wishlist. If you want to purchase items, you can send them directly to the school with my name on them. Please make sure to send me a copy of your receipt so I can turn it in for partnership hours. Thank you to all the families who have donated so far. It has been a wonderful help to our classroom.
