

Mrs. Crail's Kindergarten Newsletter

Aug 28th – Sept 1st

Special Schedule:

Monday Music, Wednesday Chapel and Music, Friday P.E.

Important Information:

Thank you to everyone for a great first week of homework. All our students did well. Remember homework pages should only take 10 minutes a night. Please make sure you are reading to your child each night for a minimum of 15 minutes. I sent home the alphabet letters in your homework packet. Please practice the sounds of the letters with your child. We are also doing this in class. If your child can read the rainbow words, let me know and I will test them in class and send the next color home. Starting Tuesday Sept 5th parents will no longer be able to walk students into the classroom. I know it can be a hard adjustment, but I see some amazing progress for drop off with our students. Also, I know there have been some concerns with students being hands on with other friends. We are working with ALL the students daily about personal space and respecting friends' feelings. We will get through this together. Please remind your student about the hands-off policy. If you have not turned in the parent/student handbook signature agreement that is due.

Important dates to look out for are: Sept 4th No School, Sept 13th is picture day, Sept 20th Prayer Walk 8:15- 9:15am, Sept 29th minimum day.

Classroom needs:

Thank you to everyone that has bought from our Amazon Wishlist. For right now we have all the supplies we need. As time goes on, I will add more things as we need them.
