Women in Mission

Mission Statement

As Lutheran Women in Mission, we joyfully proclaim Christ, support missions, and equip women to honor God by serving others.

What is LWML's Mission?

Realizing that each woman has been blessed with different gifts, LWML provides opportunities for women to share them through Bible studies, retreat opportunities, training, witnessing, and serving in many ways.

Our Vision

LWML will encourage each woman to use her unique God-given gifts as she supports local and global missions and serves the Lord with gladness.

We encourage you to participate as God leads you. Open your eyes to the possibilities for service, spiritual growth, the opportunity to personally support missions, and to enjoy warm fellowship...all on your schedule, with your special gifts and talents.
