HAVE A FANTASTIC THANKSGIVING AND BREAK!

Bible- We will continue to work in our bible books. This week we will finish lessons 17-19

6th grade: This week we will continue to read our book! Homework is to answer the questions about the chapter we read in class. This week we should be reading chapter 14-17.

7th grade: We should finish our book this week. We will be preparing and taking the final test this week. After this week 7th grade will go back to regular reading logs.

8th grade: We will continue reading our book this week. They will be having a vocab test for chapters 1-18.

Some parents asked me about books they could buy for our class. Here is the Amazon wish list with those books for our class.

Remember to keep your receipts as they can be used as volunteer hours.

Mrs. Roberto
History

trisha.roberto@gobthany.com

Eighth Grade - World Civilizations
Seventh Grade - United States History
Sixth Grade - World Civilizations

I hope everyone has a wonderful Thanksgiving Break with friends and/or family!

8th Grade World Civilizations- We will begin working on Module 8 Ancient Greece when we return to school on Monday, November 27.

7th Grade United States History - We will begin working on Module 8 War and Expansion in the Americas when we return to school on Monday, November 27.

6th Grade World Civilizations -

We will begin working on Module 8 Ancient Greece when we return to school on Monday, November 27.

Mrs. Robertson
MATH

Alisyn.Robertson@gobethany.com

Students finished lessons 36-40 this week and took Test #8. There is no homework over break so that you can enjoy the time with your families, however any student wishing to improve their test scores will be taking home a make up sheet to do over break.

I hope you all have a wonderful Thanksgiving.

MUSIC

Students are learning their songs for the Christmas performance now until Dec. 11 and practicing for the performance.

Mr. Randolph

P.E.

andrew.randolph@gobethany.com

This year during P.E., my goal is to help all students gain a better understanding of various sports, build teamwork and relational skills, and find some sort of enjoyment in the realm of physical fitness. Soccer focuses on the importance of teamwork and effort. We have also been incorporating more leadership skills and adaptability opportunities. The basic rules of the game are addressed and reviewed before and during every class. We have one more week left of our soccer unit, after which we will have our quiz and our next fitness testing day in class. We will be scrimmaging from now on in class, hopefully able to put this new knowledge into practice.

We have also discussed the possibility of injuries during our games. Especially since we do not have the proper equipment for all of the students, soccer is one of the more injury prone sports that we will be playing simply because of the level of contact and competition. The risk of injury is existent in every sport, but we have talked multiple times as a class on the importance of being careful and mindful of what we are doing at all times. We all need to make sure we are not doing anything excessively to potentially hurt ourselves or others, which becomes difficult sometimes when most of the class wants to participate competitively.

“If it doesn’t challenge you, it won’t change you.” -Fred DeVito

Soccer Quiz: 11/17/23
