Bethany School Middle School Newsletter

November 13, 2023 thru November 17, 2023

NO SCHOOL—Friday, November 10

There will be no school on Friday, Nov. 10 due to Veteran's Day. We will see everyone the following on Monday, Nov. 13.

Vision Testing—Tuesday, Nov. 14

On Tuesday, Nov. 14, we will be having FREE vision testing for (K-8) students whose parent's sign and return Vision Form. Forms will go out this week...

Pie Distribution—Wed. November 15, 2:35—6pm

PLEASE MAKE YOUR ARRANGEMENTS

We cannot store your pies No refrigeration available

We are planning on distributing pies from 2:35pm – 6pm
Each year this is a HUGE LOGISTICAL UNDERTAKING and we ask for your Patience and Grace as our volunteers will be here to help you.

***Between 2:35pm – 3:00pm – DO NOT USE THE CARPOOL LANE FOR PIE PICK UP. Please leave this window of time for our regular student pick up. Park your car in the lot and come get your pies during this window.**

*Please – if you have a wagon, bring it to help you with your pie order. Many families have a lot of pies to pick up so planning is key.

Volunteers Needed—Pie Pick Up, Wed., Nov. 15

We need about 6 volunteers to help organize and distribute the pies on Wednesday, November 15. If you can help, contact Paula Rush at 451-6683. Thank you! **We already have our drivers.*

MINIMUM DAY—Friday, Nov. 17

Minimum Day on Friday, Nov. 17. School dismissal is at noon. There will be extended care—bring a lunch and snack if your child will be going to extended care.

Thanksgiving Break—Nov. 20-24

Bethany Schools will be on Thanksgiving Break Nov. 20-24 and will resume on Monday, Nov. 27.

Upcoming Events:

- **Wear your Christmas PJs**

Mr. Ingersoll's Classes

joshua.ingersoll@gobethany.com

Bible: The memory verse for this week is Isaiah 43:1-3a (ending with "the Holy One of Israel, your Savior."). We will work through lessons 20 and 21. The last lesson of the unit is lesson 22, so the students should be preparing for a unit test that will be the week of November 13.

6th-grade Science: The unit 1 lesson 4 quiz will be this coming

Tuesday. Then we'll start preparing for a test on lessons 1-4.

7th/8th-grade Science: This week we'll do the unit 1 review and start preparing for the unit 1 test.

6th-Grade Technology: This week the students will continue working on typing.com. They need to have all 5 sections (tech readiness, learning the keys, punctuation and advanced keys, cross-curricular typing, and digital citizenship & communication) done before Thanksgiving break.

7th/8th-Grade Technology: This coming week the students will start making a choose-your-own-adventure story using conditionals in Google Forms.

Ms. Cindy

Sixth grade homeroom/MS English/Spanish
cindy.ulloa@gobethany.com

Bible- We will continue to work in our bible books. This week we will finish lessons 17-19

6th grade: This week we will continue to read our book! Homework is to answer the questions about the chapter we read in class. This week we should be reading chapter 14-17.

7th grade: We should finish our book this week. We will be preparing and taking the final test this week. After this week 7th grade will go back to regular reading logs.

8th grade: We will continue reading our book this week. They will be having a vocab test for chapters 1-18.

Some parents asked me about books they could buy for our class. Here is the Amazon wish list with those books for our class.

Remember to keep your receipts as they can be used as volunteer hours.

Mrs. Roberto
History
trisha.roberto@gobthany.com

Eighth Grade - World Civilizations
Seventh Grade - United States History
Sixth Grade - World Civilizations

8th Grade World Civilizations- We will finish Module 7 The Hebrews and Judaism. This module discusses Moses's Ten Commandments, the Dead Sea Scrolls, and passover. A test will be taken on Thursday, November 16. Friday is a half day, we will talk about the history of Thanksgiving that day.

7th Grade United States History - We will finish Module 7 Launching the Nation. A test will be taken on Thursday, November 16. Friday is a half day, we will talk about the history of Thanksgiving that day.

6th Grade World Civilizations -

We will finish Module 7 The Hebrews and Judaism. This module discusses Moses's Ten Commandments, the Dead Sea Scrolls, and passover. A test will be taken on Thursday, November 16. Friday is a half day, we will talk about the history of Thanksgiving that day.

Mrs. Robertson
MATH
Alisyn.Robertson@gobethany.com

This week we took cumulative test number six and did lessons 31 through 33, next week we will be finishing lessons 34 through 35

and taking cumulative test number seven. I am happy to announce that we will be using IXL during math lab moving forward so that any student that finishes their homework early will have the opportunity to work on problems to either help review past concepts, solidify current concepts or work ahead. Your child was given a username and password with a letter to give to their parents on how to use IXL. As always, you can email me with any questions.

MUSIC

Students are learning their songs for the Christmas performance now until Dec. 11. Next week they will have opportunities to audition for parts in the play portion of the show and will begin working on production, helping with the set and other behind the scene necessities.

Mr. Randolph

P.E.

andrew.randolph@gobethany.com

This year during P.E., my goal is to help all students gain a better understanding of various sports, build teamwork and relational skills, and find some sort of enjoyment in the realm of physical fitness. Soccer focuses on the importance of teamwork and effort. We have also been incorporating more leadership skills and adaptability opportunities. The basic rules of the game are addressed and reviewed before and during every class. We have one more week left of our soccer unit, after

which we will have our quiz and our next fitness testing day in class. We will be scrimmaging from now on in class, hopefully able to put this new knowledge into practice.

We have also discussed the possibility of injuries during our games. Especially since we do not have the proper equipment for all of the students, soccer is one of the more injury prone sports that we will be playing simply because of the level of contact and competition. The risk of injury is existent in every sport, but we have talked multiple times as a class on the importance of being careful and mindful of what we are doing at all times. We all need to make sure we are not doing anything excessively to potentially hurt ourselves or others, which becomes difficult sometimes when most of the class wants to participate competitively.

“If it doesn’t challenge you, it won’t change you.” -Fred DeVito

Soccer Quiz: 11/17/23
