March 11th-15th

Special Schedule:

Wednesdays- Chapel

Thursday- Music

Fridays- P.E.

Easter Party- We will be having an Easter breakfast with 1st grade on Thursday, March 28th at 8:30 am. This again will be potluck style like our Thanksgiving feast. Each child can bring in something to share with the class. It can be any food such as breakfast food, snack food, pizza, chicken nuggets, meat/cheese/crackers, cookies, etc. Please make sure if you bring something that needs to be hot, you bring it in hot. We will also do an Easter craft, play bingo, and watch an Easter movie. We will be keeping a list of what everyone is bringing so please email or let me know before or after school if you can bring something. I am also looking for 3 parent volunteers. If you are interested, please email me.

Weekly Recap- This week in our bible lesson we learned how Jesus fed 5,000 people with only 5 loaves of bread and 2 fish. In our English lesson we are focusing on letter blends and sounds and review since the 3rd quarter is ending next week. Sight words were also a big part of our lesson this week. We do sight words daily as a group, but we focused on them more for review. In math we covered shapes and how many corners each shape has. We also learned about Johnny Appleseed and how he was an American pioneer who introduced apple trees to large parts of certain states. We also tasted some delicious apples.

Sight words- and, a, are, but, be, come, came, from, find, for, go, give, how, here, I, into, is, like, me, my, many, make, now, new, of, on, play, see, soon, so, say, the, this, they, to, that, them, up, we, with, what, where, will, who, you and your.

Important information- This week we started our Fun run events! The booster team has been on campus pumping the students up. You will see them around campus in blue shirts playing music and cheering the kids on. After a class discussion our team's name is the Lighting Ninjas. We made our class flag and below is a picture. Our class has already raised so much money towards our goal. Thank you to everyone that has taken the time to support our school. The actual fun run is on March 19th. We will start our run at 10:30am and parents are welcome to join us. Below is our class flag.
