**Weekly Recap-** I wanted to say a huge thank you to Melissa Dutoit for coming to our class last week to do such a fun art lesson with the students. They painted some amazing rocks. I look forward to more art lessons on Fridays.

This week in bible we talked about Jesus being crucified on the cross. In our English lesson we focused on reviewing all our sight words. No new sight words were added this week. We did our sight word review in our reading passages as well. We focused on beginning blend sounds. In math we are still working on making groups of 10 with additional ones left over to create numbers up to 20. This week we are also talking about recycling in our science work.
