

Mrs. Crail's Kindergarten Newsletter

April 29th - May 3rd

Special Schedule:

Wednesdays- Chapel

Thursday- Music

Fridays- P.E.

Weekly Recap- This week in bible we talked about Thomas the disciple having faith in Jesus rising from the dead. Even when we do not see Jesus it does not mean he is not with us. In our English lesson we added in new sight words that are listed below. We are working on review for our writing passages and blend sounds. In math we are also doing review. We have a review packet that touches on the beginning of the year concepts until now. We will be working on that for the next couple of weeks. We are continuing to focus on our environment and things we can do to help planet earth. We had another virtual field trip this week. This was all about California farmers. They received a small booklet that talks about all the things growing in California and how they are produced.

Important information-

Thank you to everyone that donated to our class raffle basket. We appreciate all the support. I also want to thank Anna Rapp for taking the time and putting our basket together.

Starting Friday May 3rd, we will not be sending homework home. Friday folders will still go home. The focus for the month of May is sight words. I will continue to send the list home weekly for practice. The students will be tested at the end of the fourth quarter on all the sight words we have done for the year. We have told the students if they practice hard and do well on the sight words as a class we will have a pizza party. Please do not feel pressure from this. We just want to reward the students for all their hard work.

We will be having a Mother's Day breakfast to celebrate all you amazing moms. It is a day to honor you and show our appreciation for all you do. We will be celebrating May 10th at 8:30am in our classroom. You should have received a flyer in Friday folders.

Our class will be taking the state testing with the other grades the week of May 13th. We will be testing each day during the week. The students will be provided with extra recess throughout the days with longer times. The goal is for them not to be overwhelmed by this. This is just to get them acclimated to taking these tests for the future. If a student is absent on the day of the test there will not be make-up testing for that section they missed. We ask that you please send extra snacks for that week and that the students are well rested.

Kindergarten promotion will be June 4th at 9am. Students will still line up in our class line in the morning. Parents can arrive at 8:45am at the earliest to get a seat in the fellowship hall. Students should come dressed in their Sunday best.

Important dates to look out for are:

May 3rd- Fiesta day dinner (adults only)

May 10th Mother's Day breakfast 8:30am

May 13-17th State testing

May 31st Field Day
